

## Priestfield Prays

Once, on being asked by the Pharisees when the kingdom of God would come, Jesus replied...  
"the kingdom of God is in your midst."

*Luke 17:20-21*

Pray for renewal by the Holy Spirit as we seek God's Kingdom.

Give thanks for five things just now.

**pray** for our **world**

- thinking of **our country** in these turbulent times, pray for good order, honesty and fairness
- also for **John McCulloch** in Israel/Palestine and Jerusalem

**pray** for our **community**

- each Church, **Craigmillar Park, Priestfield and Reid Memorial**, as we get to know each other and share in mission
- and the many people in **Peffermill Road and Kings Meadow**

**pray** for **Priestfield**

- as students settle back, pray for **Student Lunches** over the next few weeks, for people to come and those who host
- our Super-weekend at the end of September; for the **Macmillan Cafe Time, Student Brunch, Messy Church and Harvest Thanksgiving**, that we can speak with people and share something of what our faith means to us
- our links and support for the **Edinburgh Korean Congregation**
- our welcome to **John Martin**; for him as settles here and becomes familiar with life in Priestfield, Edinburgh and around
- as **soup lunches** continue, pray for the teams who make the soup, and for those who come
- particularly as **Donald and Roslyn** look forward to a holiday after a very busy time, pray that they will feel rested and refreshed
